PUC Gives Bus Issue Public Airing July 12

AREA RESIDENTS URGED TO HELP PUC DECIDE DALY CITY-MUNI CONTROVERSY

Daly City residents appeared on the way to victory in their current battle with the Municipal Railway line of San Francisco when the Public Utilities Commission last Monday voted, 4 to 1, to hold a public hearing Monday, July 12, on the latest proposal for the 76 and 56 bus lines operating here.

Lone dissenting voice was that of Commissioner Edward Baron, longtime champion of Muni's demand that Daly City subsidize the two lines if it wants to keep them.

Last week, city officials from here met with Muni representatives and submitted a proposal that would allow retention of the buses here and still turn up a profit of $1,151.72 per annum on one route alone over the $21,018.28 loss claimed by the San Francisco transit company.

It was this proposal which the PUC voted Monday to put up for public hearing July 12.

The Daly City proposal was presented before the PUC by Charles Miller, Muni manager, who said it was the result of a series of conferences between Daly City officials and Muni operators.

According to Miller, Daly City is legally forbidden to assume the loss, and the San Francisco Board of Supervisors refused this spring to allow the PUC to abandon the two lines which serve the cemeteries area and the Broadmoor-Westlake district.

Commission President Oliver Rosseau saw the compromise as a big saving to San Francisco, but Baron failed to agree, as he stormed, "It's a burlesque to talk of savings now after all the losses we've had. I don't think we have any right to reach into the pockets of the San Francisco taxpayer to pay for a loss caused by San Mateo county residents. I would be against any agreement with Daly City that doesn't indemnify us for our losses."

In the meantime, Daly City Administrator Dan Andersen and members of the council made plans to participate in the July 12 meeting.

"It will be a public hearing," Andersen said, "and we would like to see as many of our residents as possible show up and voice their sentiments. We are highly optimistic over the results of Monday's meeting between the PUC and the Muni, and feel confident we will be able to keep our buses."

Here's What PUC Will Decide At The Hearing

Here, in substance, is what Daly City offered the Municipal Railway as solution to Muni's current losses on the No. 56 (cemeteries) and No. 76 (Broadmoor) lines:

Elimination of transfers to 56 bus from downtown, creating a new income of $28,491.45 on this line.

Elimination of one bus serving the 76 line, curtailment of service after 7 p.m. on the Broadmoor Westlake route, and elimination of transfers except to 56 line. This is expected to result in a decrease of $30,546.10 in the operating costs of the No. 76 route.

The above proposals will be submitted to the public at a hearing Monday, July 12, in the office of the Public Utilities Commission.

Hearing July 13 On Petition To Extend Used Car Lot

A public hearing was set for Tuesday, July 13, by the city planning commission on the petition filed by Mario J. Ciampi, who seeks extension of the commercial classification on the used car lot across from the War Memorial building.

The petition asks a change of zoning classification from R-3 (apartment building) to C-1 (commercial) of lots 1 and 2 and portions of lot 3 of the block.

If granted, the zone change would convert the block into a thoroughly commercial area and pave the way for construction of an additional entrance to the car lot from the Santa Barbara side.

Paving job is almost completed on the Mission side of the lot which has a commercial classification.

Early Morning Burglar Loots Tavern Of $700

Close to $700 were reportedly taken by an unidentified burglar who broke into Kirchhubel's Tavern, 6296 Mission, early this morning, according to Daly City police.

The burglar, who apparently removed a skylight pane and let himself down into the women's lavatory via a 25-foot length of electric wire, was surprised by the janitor, Eddie White, who opened the tavern at 4:15 a.m.

White told police he saw the man standing by the pinball machine when he opened the door, and when he asked, "What are you doing here?" the man ran into the rear of the tavern.

The janitor reportedly went out into the street to fetch help, closing the door behind him. When he came back with a police officer and a taxicab driver, the burglar was gone.

Investigation of the premises showed that the bandit had emptied contents of the safe and the pinball machine.

Plan Group Recommends OK For Motel Applicant

The city planning commission at its meeting Wednesday of last week recommended for council approval an application for construction of a motel on the Thornton tract, across from Lake Merced golf course.

Site of the proposed motel will be lot 9, part of lot 8 and part of lot 10 on the tract, previously used as a Christmas tree sales lot.

No details of the motel project were given in the application.

PURSE STOLEN IN MIDNIGHT SNATCHING

A midnight purse snatching was reported here early Tuesday by Daly City police.

Victim of the purse snatching was Mrs. Evelyn Albert, of 233 Hillcrest drive, who told police she was walking along Hillcrest at 12:05 a.m. Tuesday when she heard a car pull up and stop behind her. Soon after this, someone sneaked up from behind and grabbed her black purse containing two $1 bills, small change and personal papers.

Mrs. Albert screamed, and the snatcher dropped the purse, but scooped it up again before he jumped into the waiting car which had its lights off. The car sped down Hillcrest, the report said, and turned north on San Diego.

In the meantime, Ralph Cordes, driver of a Hilltop cab, was discharging a passenger at Santa Cruz when he heard Mrs. Albert's scream. Cordes' passenger got in the cab again and the pair gave chase, but lost the car in the fog.

Mrs. Albert described her assailant as about 26 years old, 6 feet high and weighing about 150 pounds. He was dressed in a white shirt, green jacket and dark trousers. The getaway car was a 1939 or 1940 grey 4-door Ford sedan.

KLEES PLEADS GUILTY TO LEWD COUNT CHARGE

Fred Klees, 44, former school bus driver, pleaded guilty to one count of lewd and lascivious conduct late last week.

Klees, who was scheduled to stand trial on July 14, was charged with statutory rape and three counts of lewd and lascivious conduct. After his plea of guilty to one count Judge Aylett R. Cotton dismissed the other counts which had been charged against Klees. The action was taken on the motion of Deputy District Attorney Robert Carey.

Klees is currently undergoing psychiatric examination. Sentence will not be made until the court has received the medical report. The psychiatrists have been directed to report on Klees by June 30.

BREAK GROUND HERE FOR NEW OFFICE OF LAGOMARSINO FIRM

The ultramodern building being constructed at 6701-05 Mission, corner of Alp, will cost in excess of $35,000 and is expected to be completed in four months. Construction work is being done by Joseph Ragni & Sons, whose offices are at 134 Acton.

According to George Lagomarsino Jr., the new building will also house professional offices in four 2-room suites on the top floor. The entire main floor will be occupied by the realty company.

Features of the modern structure will be complete office facilities with concrete fireproof record rooms and the latest heating system. The main floor will be of solid mahogany.

Castelan requested that any democrats interested in assisting with the local Graves-Roybal campaign contact him by phoning JUniper 7-6813.

City Planners To Study Notification Proposal

The city planning commission at its meeting Wednesday night of last week took under consideration a suggestion from Mrs. Guido Merlini, 74 Vale street, to revise present ordinances covering notification of residents of zone change hearings.

Mrs. Merlini, who recently led a successful neighborhood battle to stop rezoning of her block from R-1 (residential) to C-1 (commercial), asked that the planning commission adopt the method of notifying residents of zone hearings by postcard.

The planning group took her suggestion under advisement and will study the feasibility of working out changes in the present ordinance.

Father Morrissey, Holy Angels Pastor Laid To Rest Here

Archbishop Mitty Heads Group Of Church Dignitaries At Beloved Priest's Rites

Requiem Mass was held Monday morning at Holy Angels church for the Rev. Anthony F. Morrissey, pastor, who died Friday, June 18, at St. Mary Hospital after a long illness. Interment was at Holy Cross cemetery.

Native of Thurles, County Tipperary, Ireland, Father Morrissey came to Holy Angels church in 1946 as pastor, quickly endearing himself to the parishioners. Son of the late Timothy F. and Catherine Morrissey, the deceased pastor would have been 56 years old Sunday.

Father Morrissey received his early education in Ireland, where he also attended St. Patrick's college, Carlowe. Later, he went to the North American College in Rome, Italy, where he was ordained to the priesthood May 31, 1924, by the late Archbishop Edw. J. Hanna, of San Francisco.

His first assignment was assistant pastor of Epiphany parish, and later, St. Brigid's parish, both in San Francisco. Following this, he was transferred to St. Francis deSales parish in Oakland, where he was assistant pastor.

He was commissioned a first lieutenant in the chaplain corps of the U. S. Army and assigned to the Citizens Conservation Corps August 21, 1933, serving with that organization until June, 1940, when he returned to parish work.

Subsequent assignments for Father Morrisey included the pastorate of St. Joan of Arc in Yountville, and as administrator of All Saints church of Hayward, where he remained until July, 1942.

He was recalled to active duty with the chaplain corps during World War I and was released June, 1946, with the rank of Lieutenant-colonel.

Back again in parish work, Father Morrissey served for a short time as pastor of St. Rose's church, Crockett, before taking over his last post as pastor of Holy Angels church here.

Remains of the beloved churchman were at the Evergreen Mortuary of McAvoy, O'Hara & Co., Geary and 10th avenue in San Francisco, until Sunday afternoon when they were transferred to his church. The body lay in state there until removed Monday morning for interment.

Sunday night, from 8 o'clock, parishioners conducted an all-night vigil and rosary for the churchman.

Grocer Surprises Thieves But Fails To Save Coffee

A Daly City grocer with a store in San Mateo Saturday afternoon surprised a trio of thieves, but failed to save five cases of coffee when he tripped and fell while about to give chase.

H. B. Martin, of 19 Willow street, who owns and operates the South Boulevard Market in San Mateo, surprised the men as they made off with coffee from his store.

Martin told police he was doing some office work when he heard movement in the storeroom. He went in and saw a man carrying a case of coffee from the store.

As Martin shouted, "Where are you going with that?" the thief ran to a waiting car, yelling, "Get going; he's seen us."

The grocer tried to give chase, but tripped over a case and fell.

Five area residents were cited in a list of actions released last week by the State Department of Motor Vehicles.

WESTLAKE RESERVOIR JOBS ALSO GET COUNCIL APPROVAL; BIDS SET JULY 26

In a quick session presided over by Councilman Ed Dennis, the city council, Monday night, approved four resolutions, confirmed two probationary appointments, and moved to endorse to the proper agencies suggestions from two residents for improvements in the area.

Given unanimous approval by the body were two resolutions authorizing bids on construction work and installation of booster pumps for Westlake reservoir No. 2.

The resolutions (1994 and 1995) contained plans and specifications of work requirements and wage rates to be adopted in the projects.

Bids for these will be accepted by the city clerk Monday, July 26, at 8 p.m., in the council chambers.

In another action, the councilmen voiced unanimous approval of a resolution to effect improvements on 88th street, from Edgeworth to Junipero Serra; on 89th, 90th and 91st street, from the easterly line of Broadmoor Village to Junipero Serra, and Edgeworth and Sullivan streets, from 87th to 91st.

Improvements will consist of grading and construction of sanitary sewer mains, storm water drains, fire hydrants, concrete curbs, and sidewalks.

The project will entail assessment of property owners in the $75 lot homesteads.

Also approved by the body was a resolution authorizing amendment to the Aug. 1, 1946, contract between Daly City and the board of administration of the State Employees Retirement System. The amendment changes the text of the clause on voluntary retirement age to include firemen and policemen of Daly City among the group of state employees whose minimum voluntary retirement age is set by law at 50.

Vale Street Rezoning

The Vale street rezoning issue came up again when Mrs. Guido Merlini, 74 Vale, appeared before the council to seek the city fathers' final stand on the proposal to rezone part of Vale street from R-1 to C-1.

The plea for change of classification, filed by Fred Pasero, was recommended for denial by the city planning commisison last May. Although the council is allowed to withhold action on the case and let it die, it was hinted Monday night that the rezoning issue will be taken up at the next meeting and an official denial of the petition entered in the council records.

Present plans employed by the city in advising residents of rezoning hearings drew sharp criticism from Mrs. Merlini, who pointed out that notices posted on telephone poles escaped residents' attention.

She suggested that the council adopt the method used by San Francisco and San Mateo county of advising residents of rezoning hearings by sending postcards to property owners within a specified radius of the subject lot.

The council moved to instruct the planning commission to adopt this system.

Child Safety Problem

Another neighbor, Martin Strubel, of the police auxiliary, voiced deep concern about the safety of children attending Daly City theatre and the memorial building during the summer months and requested police protection at these critical points.

According to Strubel, he counted the number of youngsters coming in and out of the theatre one Saturday and found the number to be 182. The same threat of traffic accidents was cited by the neighbor in requesting police protection on Mission street in front of the Memorial building.

Strubel's recommendations will be turned over by City Administrator Dan Andersen to the chief of police.

Two appointments to city positions also received the council's okay when the body approved selection of Dean Woods as probationary sergeant on the police force. Also given the council's nod was the appointment of Police Officer Hank Sunderman Jr. as traffic inspector, at a monthly salary of $415.

The city's fire and police departments were given a pat on the back when Tom Callan Jr. rose from the spectators' gallery and requested official commendation of the two

Daly City Youth, Hurt In Plane Crash, Seeks $300,000

David P. Maroney, 20-year-old son of Mr. and Mrs. Joseph P. Maroney, of 417 Santa Barbara, named as defendants the trustees of the college and the Cranston Air Service.

Maroney, the report said, his two fellow students and the plane's pilot, Harry D. Cranston Jr., were injured when the plane, which was on a training flight as part of an aeronautics course at the school, crashed into the slope of Altamont Pass near Livermore.

The suit alleges Maroney suffered fractured vertebrae and a concussion, among other injuries.

SAFETY COUNCIL BEGINS SAFETY PLEDGE DRIVE

In an unprecedented effort to save at least 700 human lives and reduce traffic accidents by at least 20 per cent in California, the California Safety Council, a volunteer citizens group concerned with the problems of traffic safety today appealed to Daly City residents to be among the 1,200,000 "safety pledge" signers who will display the crusade's bumper sticker "I've Signed the Safety Pledge—Have You?"

"The responsibility for California's tragic record of death and injury on our highways lies with the individual operator," Raymond F. Leheny of Los Angeles, state president of the California Safety Council said.

"Our plan is to ask more than a million individual drivers to help carry the responsibility for the success of this crusade by signing a safety pledge in which each operator promises to 'know and obey all traffic laws, maintain his vehicles in safe operating condition and drive in a courteous and considerate manner.

"We believe that an aroused public conscience is the most formidable attack against death and destruction on the highways of California, and the California Safety Council is assisting local committees and groups in every part of the state to save a definite number of lives and reduce loss due to traffic accidents by a definite percentage."

This cannot be accomplished without the cooperation of all operators of motor vehicles, Leheney stated. "Every one who drives a car should take an active part in this crusade. Every driver who displays one of the crusade's bumper stickers is potentially a better and a safer driver. This plan has proven to be effective in other communities and we believe it will work in California where it is receiving its first largescale test."

Leheney appealed to individuals to enlist in the crusade by securing and signing safety pledges and by displaying the crusade bumper stickers which are available through this newspaper.

The Daly City quota of safety-pledges is 20% of the local automotive registration, Leheney said.

Veteran Teacher R. L. Crane Feted On His Retirement

Thirty-seven years of service in the American public school system —the last 23 of them spent in the Jefferson school district — were brought to a close when Richard L. Crane, Thornton school teacher, retired last week.

Two big demonstrations were staged by friends who took occasion to pay tribute to the popular teacher.

Thursday night last week, faculty members of Thornton school gave a dinner party at the Colonial restaurant in honor of Mr. Crane, whose last six years were spent at Thornton.

Theme for the evening was "graduation" and each place at the table was decorated with the figure of a wise old owl in cap and gown, clutching a diploma under his arm.

Mrs. Hazel Colwell, Thornton principal, presented Mr. Crane with his cap and a diploma entitling him to spend the rest of his life in ease.

Another tribute came from Mrs. Ethel Hahn, Woodrow Wilson school principal, who presented "This Is Your Life, Richard Crane," a roundup of highlights in the life of the retired teacher.

Sharing the spotlight with Mr. Crane was his wife, Mary.

Saturday night, at Grant's Charcoal Broiler, the Daly City-Colma Lions club devoted part of its installation dinner-dance to a tribute to the veteran schoolteacher. A longtime member of the local Lions group, and its secretary for the past 14 years, Mr. Crane found himself presented with a horseshoe bouquet of vegetables, a certificate of appreciation from the group, and a cash gift.

CHILDREN ARE A DRIVING HAZARD

With schools closing for summer vacations, children naturally are on the streets a greater portion of the time, playing, going to and fro and even running out into the thoroughfare from their playgrounds. As a result, accident rates involving boys and girls have shown an upward trend during vacation months for many years past.

The California State Automobile association points out that as a result of this increased exposure to hazard, motorists must accept adidtional responsibility for driving safely in areas where youngsters are likely to be encountered. The Association also reminds parents that they can assist in promoting the safety of their own and the neighbors' children.

Urge your children to play in the yard rather than on the streets. Park your car in the garage instead of leaving it at the curb; children who dart out from behind parked cars are exposed to danger. Locate the nearest park or plaground and teach your children the safest route to follow in going there. Do not send children on errands which require them to cross busy streets.

LOCAL PEOPLE FIND BODY OF DYING MAN··· MURDERER CONFESSES

Harold Schaffer, 29, of San Francisco, has confessed, following lie detector tests, to the murder of Thomas T. Foley, bludgeoning victim, who died Thursday evening in the Junipero Serra hospital, according to the county sheriff's office.

Foley, 48, of San Francisco was discovered by Fred Khorge, 29, of 240 Hillcrest drive, who saw the body of the unconscious man lying by the side of Edgemar road, two miles north of Sharp Park, at 6:30 p.m. Thursday evening.

Khorge, district manager of the Reserve Hospital insurance company, found Foley as he was returning to Daly City from his office in San Jose. Khorge notified the Sheriff's office and the victim was removed to Junipero Serra hospital, by the deputies, where he died at 7:50 p.m.

Schaffer, 25 Parnassus, reportedly confessed wielding the murder instrument—a carpenter's hatchet —in what police described as an apparently "motiveless killing."

San Mateo officials, led by Chief Deputy Sheriff Walter Moore, apprehended the suspect Friday, extracted a confession that night, and filed a murder charge the following day.

This morning, Municipal Judge Fred M. Wyckoff set Thursday, July 8, at 9:30 a.m. for preliminary hearing of Schaffer who, two days earlier had been arraigned on a murder charge before Judge Wyckoff.

The preliminary hearing on July 8 will be in Municipal Judge Thomas L. Bocci's chambers, according to Louis Depaoli, who is representing Schaffer as defense counsel. The nature of the plea to be entered by his client, said Depaoli has not been determined at this time.

Foley was employed as a teamster for Lynch & Sons Drayage firm in San Francisco. At the time his body was discovered, he was found to have been without a single cent on his person. This led police, early in the case, to discount possibilities of Foley's having been a hit and run victim, suspecting robbery as motive for the killing. In his reported confession, however, Schaffer claimed he had no motive for killing Foley, a friend with whom he had been drinking on the afternoon of the murder.

According to Mrs. Mary Hickey, Foley's widowed sister with whom he lived at 2642 Folsom. The murder victim was a quiet, retiring man with few close friends. This was corroborated by George Lynch, of the drayage firm where Foley had been working the last three months.

When she last saw her brother the day before the killing, said Mrs. Hickey, he had $100 in his wallet.

Foley, a veteran of the last war, was struck at least seven times with the murder weapon, according to County Pathologist Arthur Lack. One blow, said Dr. Lack, penetrated the skull to the brain.

Services were conducted in the United Undertakers funeral chapel, 1096 South Van Ness, and St. Peter's church Monday morning, followed by interment at Golden Gate National Cemetery.

Besides, Mrs. Hickey, Foley is survived by four brothers, John, Frank, Richard and William.

Another local couple reported discovering the victim's body and notified police before Khroge did. According to Mr. and Mrs. William L. Berardy Jr., of 420 Vista Grande, they were driving home after picking blackberries outside Sharp Park Thursday, at 6:20 p.m., when they saw Foley lying on the side of the road.

"My husband thought he was drunk," said Mrs. Foley, "but when we stopped, we saw his head lying in a great big puddle of blood. We drove to a service station—the one across the Seavue theatre, I believe—and asked the attendant there to call police. We were still there when the ambulance came by. Another ambulance came from the other direction."

The Berardys also told of having seen the yellow pickup truck used by the confessed slayer.

"We were rounding a bend on our way to report our discovery when we saw this yellow truck speeding away and rounding the curves like mad. Our only thought was that it was someone who had discovered the body as we did and was rushing to report to police," continued Mrs. Berardy.

When the couple read Friday's newspaper accounts of the murder truck, they called Daly City police to identify themselves as witnesses to the getaway.

TIME TO CHECK TIRES

On long trips, check your tires every morning while they're still cool, says the California State Automobile Association. Even a little driving can warm them up, expand the air inside and cause a false pressure to be shown.

Safety News From Your Local Police

Any driver who gambles against the traffic laws may pay with his life if he loses.

A review of accident reports indicates that in about 85% of all traffic accidents, one or more traffic laws were violated by motorists or pedestrians, or both.

Too many drivers approach their duties of observing traffic laws asking themselves, "Can I get away with this?" Then, if they think they can, they'll break the law almost every time.

Very often they don't get away with it. They receive citations as half-a-million did on highways in unincorporated areas of California last year, or they are involved in accidents. Worst of all, they often injure or kill innocent people.

A word for careless pedestrians. While there are few traffic laws governing pedestrian conduct, there are safety rules, and pedestrians who don't observe them are their own worst enemies.

It is absolutely senseless for a pedestrian to pit his weight against the weight of an automobile. The odds are all against him. Pedestrians are especially cautioned not to cross streets in mid-block nor against red signals.

My Mad World

By Leonore Brewer

It doesn't seem very long ago that Maria Tallchief and Andre Eglevsky appeared as guest stars with the San Francisco Ballet Company. Now the New York City Ballet hailed as the world's best not only by American critics who could possibly be accused of being prejudiced, but also by their European counterparts, is bringing them in the company's dazzling fifteen-day engagement at the War Memorial Opera House.

So far this year Miss Tallchief has been ballerina for two companies, and later on will be ballerina for the Ballet Russe de Monte Carlo. In a day which finds the term ballerina tossed indiscriminately hither and yon, it is well to remember that Maria Tallchief's technique, elegance and style have earned her the title prima ballerina.

Among the twenty-one ballets in the New York company's current repertoire are two which have special interest for local balletomanes as they are the creations of Lew Christensen, director for both the New York company and the San Francisco Ballet. One is "Con Amore" and the other is "Filling Station."

We mention "Con Amore" first because it was here that it made its bow to the world in April of 1953. In June of that year it went on to further glory in New York as part of the exchange program which has been set up between the nation's two leading civic ballet organizations. At that time San Francisco's Sally Bailey and Nancy Johnson joined the New York company as guest stars to interpret the roles they had created in San Francisco. It is a pity that lack of space prevents our detailing James Graham-Lujan's delightful libretto which, as the title implies, is about love and contains a scene which should confirm the suspicions of those who believe "La donna e mobile." The costumes, designed by the young Catalonian painter Esteban Frances, are new for San Francisco audiences.

"Filling Station" was originally choreographed for Ballet Caravan, one of the antecedents of the present New York City Ballet. Reading over the cast for its premiere in 1938 one notices, besides the two Christensens and others, the name of Todd Bolendar, who is still with the company in the dual capacity of dancer and choreographer. In the very successful revival of this ballet last year, the young Jacques D'Amboise, currently appearing with the company, quite literally leaped to stardom.

The Sherman Clay Box Office, SUtter 1-1331, is handling the tickets for this stellar attraction.

Daughters Of Israel Hold Installation

The Daughters of Israel, sisterhood of Congregation B'nai Israel, 67 Los Banos avenue, held their instalaltion of officers at the Bellevue hotel on Sunday evening, June 13.

Serving for the fiscal year 1954-55 are: Mrs. Lililan Mendelson, president; Mrs. Hannah Goldberg, vice president; Mrs. Emma Cohen, secretary; Mrs. Alice Blumenfeld, treasurer; Mrs. Anna Trager, conductress; Mrs. Anna Horowitz, guardian. Mrs. Clara Rosenberg, Mrs. Lea Hershel and Mrs. Blanche Lesur were appointed as trustees. Mrs. Rose Lipman was elected counselor.

Mrs. Mattie Olcovich who was the installing officer, was assisted by Mrs. Marian Plansky, marshal.

Cantor Harold Wachter, executive director of the Westlake Temple group, delivered the invocation.

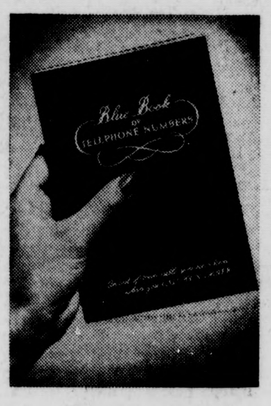
WHAT'S DOING

New cable sheath saves money

If you look closely at the telephone cables in the picture—both similar to the ones that carry your calls—you'll see a difference in their coverings. The outside of the cable on the left is made of lead. And, formerly, only lead did a good job of protecting the vital wires inside. But now we have a new cable covering called "stalpeth" (the one on the right). Perfected after long research, it's made of aluminum, steel, and plastic. Stalpeth weighs less than lead and costs less—up to 43 cents a foot less. We're using it wherever we can . . . to furnish more service, good service, at low cost to you. **Pacific Telephone works to make your telephone a bigger value every day.**



Easy way to speed long distance calls

You'll get faster long distance service if you give the operator the telephone number you're calling, rather than just the name and address. And to help you keep out-of-town numbers handy, we'll be glad to send you a free booklet to list them in. For your copy, just call, write, or drop in at our business office.

You can save time and steps

For just pennies a day, you can enjoy the privacy and convenience of an extension telephone in any room of your home. Extensions save steps, save time . . . make it easier for the family to place calls, receive calls. No additional outside wires or equipment are needed—just the telephone itself. To get your extension, call our business office. **Pacific Telephone.**

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello, Neighbors:

First of all to answer some questions. NO! I didn't get tired—and I didn't quit—I'm not on my vacation yet. The graduates pictures plus the fact of press trouble necessitated the withholding of last week's column. Fact is the folks are lucky we even got a paper at all. It was just one of those weeks where everything that a paper doesn't want to happen—happens.

Last week was quite a week for birthdays. Among those who had them was MR. FRANK VENTURI, son of MRS. MAY BAKER of Theta avenue. Frank used to live in our town for many years before he deserted us for the wide open spaces of Sebastapol. Happy birthday, Frank, from all your friends here.

Daly City's newest citizen is a BOY! MR. and MRS. GEORGE SCALLY are the proud parents of MICHEAL JOHN SCALLY who checked in at Mary's Help Hospital on June 8th. The young man tipped the scales at 8 lbs., 5 ozs., and at the present time is now home where mother and father are proudly showing him off. Plans for his christening are pending for the very near future.

Items of Interest

The graduations are over, school is out and all the youngsters are happy and many of the folks have already taken off to far away places. Among the first to leave were LOUIE COOPER and father HOYLE. We won't see them for awhile as they have decided to spend the summer in Fort Worth, Texas. According to Louie, with whom I have never won an argument, there is no place like Fort Worth. Happy vacation, Coopers, and maybe the fog won't look too bad after you have been in Texas awhile.

Returning home from Los Angeles where she witnessed the graduation of her son THOMAS MALLOY, was MRS. MAUREEN MALLOY of Muirwood drive. She has just cause to be most proud of Tommy as of the five awards that were given by the Seminary from which Tommy graduated, he took two of them. He received the award in History and Science and graduated with a straight A average at the head of his class. He will be home in a few weeks for a four weeks vacation after which he will return to Chaminade College in Santa Cruz. Congratulations are given from all the folks to a very fine young man on his scholastic achievements.

Many of the folks were saddened this week to hear of the passing of REV. ANTHONY MORRISEY of Holy Angels church in Colma. Father Morissey had been their pastor for a number of years. One takes for granted that as each Sunday comes around we will see our priests in their usual places and then all of a sudden we are faced with the fact that even they are called home at the most unexpected times. Father Morrisey left not only members of his family in Ireland but a host of friends here who will miss him more as time goes on. He truly exemplified the saying, "So let me live my life that the world may be better for my having passed through it."

MRS. MAY BAKER took a trip to Sebastapol this last weekend for several reasons. First of all to help her son FRANK celebrate his birthday. Next on the list was to witness the festival held in Sebastapol at which her granddaughter ANITA LOUISE was crowned queen. After the crowning and parade she then went to the rodeo where both her son Frank and granddaughter Anita participated with both of them walking off with prizes for horsemanship.

Another of the folks who had birthdays last week was MR. ROBERT MILLER of Los Banos avenue. He was given a surprise birthday dinner by his wife SHIRLEY and of course little BOBBY made life most interesting as do all nine-months-old babies by getting into everything while dinner was being prepared.

Among the first to take off for the summer, and I really mean first, too, as they left Friday night, was MR. and MRS. ART ALVISO. Art is the guiding light for the children each day as they cross the street at the intersection of Vista Grande and Knowles avenue. He will miss all his little friends and hopes to see them in September. In the meantime he will be taking a well-deserved rest at the Stumble Inn in Felton. Following them the next day were part of Maud and Art's family—the ALLEN BRUSHES and their tribe — MICHEAL, ROBERT, KATHY and the irrepresible NOODLES, the cocker spaniel and pride of Kathy's life.

Servicemen

One of the most disappointed of the fellows stationed at Fort Ord this week was PVT. JAMES J. JASTRUMSKE. He tried every way he could to get a pass for Friday night in order to be home to see his brother JERRY graduate from Colma school. The Army being what it is, Jim arrived home on Saturday.

From Korea comes word that A 2/ JACK CAMBELL is in Seoul. It is far different from anything he has ever seen. According to him the Air Force is one way to see the other side of life, for sure.

From Korea comes word from A 2/c RICHARD PHELPS who is taking it easy at the present time. He has only been there two weeks and so far hasn't been assigned to duty yet. While having so much free time he is doing some sightseeing and also fishing. He got his first overseas haircut at a Korean barbershop and he is very glad that he won't be home until his hair has had time to grow out.

The National Guard is on the move again as they are each summer. Among those leaving for Camp Hunter Liggett near San Luis Obispo were BILL BRUSH JR., LE ROY STORM, and DALE DOOLEY. They will spend two weeks in intensive infantry training with the 49th Division of the 159th Infantry which is Daly City's own National Guard unit composed of the sons of your neighbors and mine. This is their first time at summer camp and it will be interesting to hear the tales that will be told on their arrival home in two weeks.

News and Views

Last Saturday saw the wedding at Our Lady of Perpetual Help church of ANGELA LUFRANO and ANTHONY VILLALOBOS with the Rev. JOHN NORMAN ALLEN officiating at a 4 p.m. ceremony. The bride wore a ballerina length dress of nylon net and carried a prayer book and orchid. The maid of honor was MISS CAROL GLOVER who wore a ballerina length dress of pink fashioned bouquet. The brides mother, MRS. ROSE LUFRANO, was attired in a navy blue suit with white accessories and the groom's mother, MRS. LUPE VILLALOBOS looks very smart in her suit of cocoa brown with white accessories. The bride was given in marriage by her father, JOSEPH "RED" LUFRANO. After the wedding a reception was given at the home of Rose and Joe Lufrano where Angela and Tony were greeted by a host of relatives and friends who gathered to wish them all the success and happiness in the future. The same goes for all the neighbors too, kids.

Sympathies of all the neighbors are extended this week to JUDGE THOMAS BOCCI on the passing of his mother, MRS. MARIA BOCCI of Colma. Besides Tom she was the mother of JOSEPH L. and RAYMOND BOCCI, JENNIE FILIPPINI, EMILY ANTRACOLI, SUSIE LUCHETTI and HILDA DEMARTINI. She also will always be remembered by fourteen grandchildren and thirteen great-grandchildren. She was a native of Italy and enjoyed life to a nice age of 85 years. A Requiem High Mas was held at Holy Angels church in Colma and entombment was at the Italian cemetery.

Two more of the neighbors are packing their traveling bags in preparation for a wonderful trip. MRS. FRANCES NENSTEIL and MRS. IRENE SCALLY are about to take off for a few weeks vacation to New York, if you please. This will be a wonderful trip and, as I hope to hear from the ladies while they are gone, I'll pass the news on to you as soon as I get it.

Another young man is leaving us for a summer in Texas. KENNETH DAY, son of MR. and MRS. STEVEN DAY of Los Olivos avenue, is leaving this week for Houston, Texas, where he will spend the summer with his aunt and uncle. This will be quite a change for Kenny as he has been used to the cool weather and he is already wondering just what will be happening.

Home from Children's Hospital where she spent a most uncomfortable week in traction is MRS. BETTY PAGE, the erstwhile Betty Morgan of Vista Grande avenue. Betty is well known here as she grew up in Daly City and lived here all her life until lately. She is now staying with her mother, MRS. MORGAN, of Vista Grande and it is a nice time for grandma Morgan to have the grandchildren RONNIE and TERRY with her.

Well, neighbors, this will be all for this week. Remember I leave on my vacation on July 5th and will be gone until July 27th. Anything that you want in during those weeks please let me know by the 30th of June so I can type it up and get it in before I leave. Remember the phone is PL. 5-6482 and I'll be waiting to hear from you at any time that it is convenient for you to call me. Until then—'Bye Now.

Ed. Note: The following is Betty Brush's column intended for last week's paper. It was necessary to leave it out because of space limitations, so we are running it this week in addition to this week's column.

Hello, Neighbors:

Tonight is the big night for many of the young folks of our town. Not only the teen-agers who have reached the end of four years at Jeff and will either go on to college or to jobs, and for many of the boys—service with Uncel Sam, but many will be graduating from the grammar schools. These are happy times for the youngsters and of course proud times for their parents. Congratulations and best wishes for their futures are wished all the graduates from all the folks.

One of the well known old timers had a birthday last week. MR. LOUIS PEZZOLA of Miriam street celebrated his 76th birthday with the gathering of his family. Children and grandchildren all wished Mr. Pezzola many more birthdays and the same goes for all the neighbors, too.

Home from a trip to Chicago where she met her brother and sister-in-law, MR. and MRS. EDWIN F. MICHELSEN, is MRS. CHRISTINE HULME of Miriam street. She flew back there and made the return trip by car. On the way back they visited Yellowstone National Park, Valley of the Moon in Idaho and many other places of interest. Christine was gone for two weeks and the others had a four week trip. All returned home glad to have gone but also glad to be back.

ITEMS OF INTEREST

Another of the well known old timers has been on the sick list lately. MR. H. W. A. RICKMAN of Miriam street hasn't, as he puts it, been feeling his best. He can't quite decide what is the matter but knows he could feel better. We all hope you do, too, and soon.

Taking a trip to the Islands is something we all dream about but few ever realize. Two more of the neighbors had their dream come true. MR. and MRS. FRANK McDERMOTT have just returned home after spending two glorious weeks there. They left on the Lurline but returned home by plane.

Lots of fun was had at Co. No. 1 firehouse last Wednesday night when Co. No. 1 Fireladies Auxiliary entertained all the ladies' auxiliaries from Companies 2, 4 and 6 for the evening. Of course there were refreshments and then the ladies all played bingo.

Welcomed home from St. Mary's hospital last week was MR. HENRY WESTROM of Garden Grove drive, Westlake section of Daly City. Mr. Westrom is the unfortunate possessor of a fractured knee cap which will keep him on the inactive list for quite some time.

Having a birthday last week was one of the nicest grandmas I know. MRS. MAUD ALVISO of Crocker avenue celebrated hers with the help of her three children, eight grandchildren and of course her three sons-in-law plus husband ART. She was guest of honor at a nice family dinner given at the home of her daughter.

Daly City has some nice new residents. Fact is one of them, GRACIE, grew up here herself. MR. and MRS. JACK WINTERS have now taken up residence on Niantic avenue. Gracie of course will be remembered by many as the former Grace Domenici and Jack has made lots of friends since their marriage.

A bridal shower was held at the home of MRS. MYRTLE KELL of Niantic avenue in honor of MISS CAROLE TACCHI, Co-hostess for the evening was MRS. GRACE WINTERS. The tables were decorated in the appropriate motif for the occasion and delicious refreshments were served. Many nice and most useful gifts were received by the bride to be.

More of the neighbors are taking weekend trips. MR. and MRS. WAYNE ALEXANDER of Brunswick street were among those who took off last weekend. They went up to their summer cabin at the Russian river where the youngsters as well as their parents had a grand time.

Our traveling neighbors is traveling again. She left Tuesday as a delegate for Old Glory Auxiliary 2044 to the convention held in Long Beach. When she returns from there she will get ready to attend the Druids Convention in Santa Cruz. If you haven't guessed who she is by now—I'll have to tell you. MRS. CLARA POKET of Mission street—who else?

SERVICEMEN

Another of the boys has grown up. When I first saw him he was just a little tyke. Then he grew up and attended the local schools and was one of the best paper boys that I ever had. Now Billy Jones is PVT. WILLIAM JONES of the U. S. Marine Corp and has just finished rifle training at Camp Mathews. He will be home on furlough in a few weeks and we'll be hearing more from him then I'm sure.

Had a letter from Korea letting me know that A 2/c RICHARD PHELPS of the U. S. Air Forces had arrived safe and sound. He says things are most certainly different over there and he never knew people could live under such conditions and be happy and smiling as the Korean people are. The children are particularly happy and go to school after they get through working in the fields in the day time. He stayed a few days in Japan before they flew him to Korea and he said that Japan at this time of the year was very nice.

Heard from another of the boys in the Marines last week. LT. EDWIN MICHELSEN is in Quantico, Virginia, where he has finished Officer's Candidate School and will be ready for re-assignment soon. His wife Nancy is with him and although they would like to come home for awhile they are sure it will be at least six months or more before they get here.

PFC. ALBERT D'ISEP is home on a twenty-one day furlough from Fort Lewis, Washington. To add to the pleasure of the furlough Albert and his folks, MR. and MRS. ALBERT D'ISEP SR. took a trip to Los Angeles by plane.

PFC. RICHARD FITZGERALD has a change of scenery. He is now a cook with the U. S. Army at their big hospital in North Carolina. One thing nice besides the fact of him liking his job is the fact that his wife Noreen has gone along to be with him. How fast our boys and girls grow up and assume adult responsibilities in these times. The old saying—"Home is where the heart is"—most certainly holds true nowadays.

NEWS AND VIEWS

The FRIENDLY NEIGHBORS had a wedding shower for MRS. JOYCE BRECKENRIDGE last week at the home of MRS. BILL GRAVATT of Abbott street. All the girls belonging to the club were there where after opening the many beautiful gifts a nice assortment of refreshments were served. The young couple are now leaving for Oceanside where the groom is stationed with the U. S. Marines.

MR. and MRS. BILL GRAVATT of Abbott street celebrated their 6th wedding anniversary last week. In honor of the occasion they and their friends MR. and MRS. JIM WALL went to dinner at the Showboat and the ladies were presented with orchids by their husbands. A grand time was had and they are wished many more happy anniversaries by all the folks.

You've heard the saying—more fun than a barrel of monkeys! Well, the monkeys weren't there but the barrel of fun was at the gathering of the Friendly Neighbors Club fun night held at the home of MRS. ANN McNEALLY. This time it was bingo and refreshments and prizes for all. This bunch sure sound like they have some grand times. Must be nice to have such nice neighbors.

First it was measles that plagued all the little ones and now it is the chicken pox. Latest victim of this bane of childhood is little KATHY URBANUS. What really adds insult to injury though is that they are the gift of her brother DUGGIE who didn't want them anyway.

A very beautiful wedding took place on Sunday, June 13, at All Souls church in South San Francisco. United in marriage were MISS CAROLE TACCHI and MR. VERLE FAIRBANKS. The ceremony was performed by REV. HIGGINS. The bridesmaid was MISS EDNA MAE ANTONNELI, while the matron of honor was MRS. MARILYN KIMBLE, sister of the bride. Best man duties were performed by MR. DANNY MOORE and MR. JOE KIMBLE was the usher. The bride wore the traditional attire and the bridesmaids wore pastel colored formals. The mother of the bride was nattily attired in a cocoa brown silk dress with chartreuse accessories. The bride was given in marriage by her father, MR. M. TACCHI. A reception was held in the church cafeteria after which the young couple left for a honeymoon at Carmel. After the honeymoon the young couple will reside in Cherry Valley. All the best wishes are extended to this young couple by all their friends and neighbors.

Another of the neighbors had a birthday last week. MRS. MYRTLE KELL of Niantic was surprised by a birthday dinner given at the home of her daughter and son-in-law, MR. and MRS. JACK WINTERS, also of Niantic avenue. Also present were MR. GEORGE DOMINICI, Mrs. Kell's son and MR. and MRS. E. COOKE. After the dinner they entertained many of their friends and neighbors who dropped in to help Myrt celebrate the occasion. Happy birthday from us too, Myrt.

The Epiphany church was the scene of a 2 p.m. christening last week. The baby was ARLO LOUIS HAEGLER, the new son of MR. and MRS. LOUIS HAEGLER. The godfather duties were performed by MR. FRANK WAYNE JR. and the baby's godmother is MR. SYLVIA HILL.

Guest of honor at a breakfast given in his honor was MR. KEITH SORENSON. Hostess on this occasion was MRS. JERRY VICKERS who invited many of her friends and neighbors to meet Mr. Sorenson.

Installed as President of OLPH Mother's Club for the next year was one of the nicest of your neighbors and mine. MRS. CATHERINE RICCI took over the gavel for the coming year at very beautiful ceremonies and one and all wish her the best of success in her term.

Well folks, keep letting me know what is happening. Especially I would like to know where everyone is going in July before the last week of June. Why? I'm going on my vacation and want to keep your column up for you. The phone is PL. 5-6482 and I'll be hearing from you. Until next week then, 'Bye now.

Eagles Auxiliary Lays Three Area Students Rummage Sale Next Year

Groundwork has been started in the rummage sale scheduled for early next year by the Daly City Eagles auxiliary, according to Mrs. Marge Clark, president.

To insure success of this fund-raising event, auxiliary members have started their task of canvassing area residents for donations of furniture, books, clothing and other items for the sale.

Neighbors who wish to contribute household goods to this project may have the items picked up from their homes by calling Mrs. Clark at PLaza 5-3415, or Mrs. Frieda Pederson, sale chairman, at PLaza 5-2196.

Eight notable buildings in downtown San Francisco range in height from 301 to 408 feet.

Boy Scout Drive Still Short Of Goal

Contributions for the current boy scout finance campaign have passed the $1,200 mark, according to chairman Robert Hunter.

Most workers still have follow-up calls to make and a few have not yet turned in their first report, he said. "So much depends on the success of this year's boy scout campaign, I am asking the campaign workers to retain their unfinished cards until they are completed," Hunter said today.

According to the chairman, those who have made contributions have been generous, but many businesses have not as yet been reported, thus the comparatively low total.

Hunter requested that report envelopes be left for his committee at any of the three Bank of America branches in Daly City, Colma and Westlake.

Boy scout officials are hopeful that total contributions will permit expansion of the cubbing and scouting programs in this area so that Daly City and Colma may be organized as a separate district of the San Francisco council, with its own administrative committee composed of local citizens.

In addition, they have plans afoot for doubling the number of boys participating during the coming twelve months. At present the Daly City area has nine packs and troops with a total membership of a little over 300 boys and is operating as a part of the Lake Merced District organization.

Daly City and Colma organizations or individuals who wish to help support this program for the Boy Scouts of America in the area, may mail their contributions to Hunter at 437 Santa Barbara avenue, Daly City.

BOOKMOBILE NOTES

By Martha Dobson
Bookmobile Librarian

San Francisco State College

Two members of the library staff and Mrs. Maude Hanselman, library commissioner, recently visited the new library at San Francisco State College. Mrs. Margo Westgaard, order librarian at the college, and secretary of the Daly City Library Commission, conducted us on a personal tour of the building. The state college library has an excellent book collection, and is very attractive as well as completely functional. One of the outstanding features of the new structure is the atmosphere of warmth and comfort which is achieved through the use of beautifully varied color schemes for shelves and walls. Each floor has a different color combination. Foresight in planning has assured a large area for expansion when future needs make enlarging necessary. The tour of the library was very enjoyable as well as educational.

Library Schedule

The new library schedule of hours open which began one year ago next month is one of the most important factors explaining an appreciable increase of circulation at the library. However, the increased amount appropriated for books, has also been a significant reason for this growth. With more books being made available, a larger segment of the reading population can be served. It is interesting to compare the circulation figures for a three month period in 1953 with those for the same months in 1954. (These figures include books, magazines and pamphlets):

	1953	1954
March	4,174	5,983
April	3,927	5,279
May	3,727	5,127
Total	11,828	16,380

Although the new daily schedule has been in effect for almost a year, many new residents, and some old timers too, may still be unaware of the change, so every so often we like to bring it to their attention. The library is open for circulation and reference work eleven hour each weekday, and seven hours on Saturday, closed Sundays and holidays as follows:

Monday through Friday, 10 a.m.-9 p.m.; Saturday 10 a.m.-5 p.m.

The library subscribes to 44 different magazines which circulate. Some of the newer magazines which have beed added to the collection recently are: Congressional Record, Field & Stream, Flying, Fortune, Look, Radio & Television News, Science News Letter, Theatre Arts.

LIONS INSTALL NEW OFFICERS AT FESTIVE BANQUET HELD SATURDAY

Lions' Tribute

HORSESHOE BOUQUET has vegetables and best wishes of Daly City-Colma Lions who paid tribute to Richard L. Crane, retiring club secretary. Crane, who was secretary 14 years, last week also dropped the curtain on another career—37 years as teacher in the American public school system.

THE RECORD photo

It was a big jump from high jinks to serious business, but the Lions of Daly City and Colma made it when they met Saturday night at Grant's Charcoal Broiler in Westlake.

Occasion for the affair was the Lions' annual installation dinner-dance, which saw new officers of the civic group invested with the power they will wield July 1, and the old ones showered with gifts in appreciation of jobs well done.

Most surprised among the outgoing officials was R. L. Crane, retiring club secretary, whose 14 years at the post was climaxed Saturday night with presentation of gifts including a horseshoe bouquet, a certificate of appreciation, and a cash award.

Outgoing president, Walt Rector, was awarded a past president's lapel insignia, an immediate past president's oversize attendance button, and a rod, reel, and line set.

Pandemonium broke out among the diners when outgoing president Rector paid tribute to Mr. Crane as a man whose shoes would be hard to fill. Crane replied that not only his shoes, but also his pants, would be difficult to fill. Whereupon, he retired to another room with incoming president Joseph Belli Jr., incoming 1st vice-president Melford Battye, and incoming secretary, Ira Neville.

When the group reappeared, Bellie, Battye and Neville were occupying an oversized pair of overalls alleged to have been Crane's.

Saturday night's affair, a well-attended one, took a more serious turn when Lion Zone Chairman Joseph E. Riccomi rose to install the club's new officers.

The following, sworn in at the climax of the dinner-dance, will take office in the Lions Club of Daly City and Colma, starting July 1:

Joseph Belli, Jr., president; Melford Battye, 1st vice-president; Roy Arneson, 2nd vice-president; John Rahduber, 3rd vice-president; Ira Neville, secretary; John Ferrari, treasurer; Rudy Wolmuth, Tail Twister, and Ray Charette, Lion Tamer.

Installed as directors were Lynn Downs, Ed Weisenburger, Nate Temkin, Jack Price and Walt Rector, outgoing president, who also was named zone chairman, effective July 1.

MORE BASIC TREATMENT

Oiling the door lock provides it with plenty of lubricant under ordinary circumstances, points out the National Automobile Club. There are, however, times when it pays to have the lock removed and thoroughly lubricated with graphite or other special lubricants.

Fog Fails To Dampen Spirit Of Crowd At Midget Ball Game

A creeping fog Tuesday night failed to dampen the spirit of spectators who watched the twilight Midget League of the Daly City recreation department enter its second phase.

In the opening game of the evening, the powerful Daly City Midgets, managed by Lowell Creighton Sr. drew 13 walks and three timely blows in the first frame to ice the contest 13-0. The game Broadmoor Giants pushed one run across in the second, but in their half of the frame, the Midgets repeated their belting spree, earning 12 more runs before the game drew to a close with a final score of 25-1.

Batting leaders were Joe Morales, George Klaus and Harry Krohn.

In the feature contest, the Broadmoor Eagles played the Yanks from their area, with the game all knotted up 3-3 by the time it moved to the second inning.

With the bases loaded on walks, Eagle Mike Simmons blasted a hot single through the box, making the score 4-3. In the third frame, Yankee John "Red" Sumers sharply single, with a man on second, to score John Hess and again tie the runs.

In rapid order, Bill Hix singled, Jerry Hyndman tripled, Terry Christman singled, Dave Dugan doubled, and John Hess blooped a single, and when the inning was all over, the Yanks were ahead 9-4. Final score was 16-6 in the Yanks' favor.

In the finale, Sharp Park No. 1 played their crosstown rivals, Sharp Park No. 2, winning a 6-2 victory.

Next week's games will see Sharp Park No. 1 against the Broadmoor Eagles, Sharp Park No. 2 playing the Daly City Midgets, and the Broadmoor Yankees lined up against the Giants from their area.

Summer Cage Loop Opens Here With 8 Teams In Action

A new event in the Daly City recreation department's summer program got off to a start Tuesday night when the opening games of a double round robin basketball league was played in the War Memorial building gym.

CORONER'S JURY RULES "ACCIDENT" IN BOERSTLER, HARMON DEATHS HERE

A verdict of "accidental death" was turned in by a coroner's jury which met here last week to establish the legal cause of the tragedy that struck the lives of George A. Boerstler and Eugene W. Harmon.

Boerstler, who resided at 342 Woodrow street, and Harmon of 262 Judson, met accidental death when they were fatally burned while cleaning the garage of the Boerstler home with inflammable substance May 23, the coroner's report stated.

The tragedy occurred when fumes which had accumulated in the enclosed Boerstler garage were touched off by the water heater's pilot light. The ensuing explosion rocked the entire block and drew people to the scene of the tragedy.

Harmon, heavier of the two, lay inside the garage longer while rescuers kicked in the door. It was he who suffered more intense burns and died a few hours later at Junipero Serra hospital.

Boerstler, on the other hand, managed to run out of the burning garage and into the street. He died the following day.

Left practically penniless by the accident—one of Daly City's most tragic in recent years—was Boerstler's widow, Dorothy, and their four children, Robert, 14 months; Ray, 2; George, 3, and Charles, 6.

Mrs. Boerstler would have been provided for had her husband's insurance, granting $6000 on accidental death been paid up the day before the tragedy.

To help her out, Daly City neighbors, sparked by The Record, the City Employees Association, and the fire department, immediately set up a fund drive for the bereaved family. A $1500 goal has been established in the campaign headed by Peter Markovich and Fire Chief Elmer Kennedy as co-chairmen.

Camp Royaneh To Open First Scouting Session On Sunday

A large group of Boy Scouts from Lake Merced District take off next Sunday (June 27) for the rugged outdoor country of Camp Royaneh on the Russian River—the summer camp of the San Francisco Scout Council.

The Scouts will start their digging-in process under the supervision of Camp Director Ralph W. Benson, and his staff of some 35.

Assisting the camp director will be Gil Buffery, program director, Joe Fleming, assistant program director, and Jim Needles, Scoutcraft director. Two Spanish-American War veterans, "Uncle Ed" Dike and "Doc" George Frank, are also included in the camp staff.

The first session of camp runs from June 27 to July 3. There will be six additional sessions, ending August 14. A few sessions are still open for Scout troops, camping as a group.

Those attending from Lake Merced District are:

Troop 40, sponsored by Golden Gate No. 40, American Legion, Calvin McCann, leader; Troop 50, Pilgrim Congregational Community church, Edgard W. Newlon; Troop 88, Forest Hill Association, William E. Turpen; Troop 63, Old Glory Post No. 2044, Veterans of Foreign Wars, Bill Bradshaw; Troop 92, Young Mens' Mutual Improvement Association, Church of Jesus Christ of Latter Day Saints, M. B. Harris Youth Stars In Summer's First No-Hit, No-Runner

There were some mighty powerful baseball teams strutting their stuff on local diamonds Saturday when the Daly City recreation department's Little League for 10 to 12-year-olds got off to a rousing start.

The noonday classic pitted the well-playing Pirates, coached by Al Harris, against the Daly City Arrows. The first non-hit, no-run performance of the summer season was pitched by Al Harris Jr., whose mates went on a two-hour slamming spree, ending the game with a 21-0 victory tucked under their belts.

In the second game of the day, Sarto's No. 1 was well on its way to victory when the red hot Westlake Beavers loaded the bases in the sixth frame. At this point, Joe Millet, Beavers moundsman, unloaded a 300-foot triple, bringing all runners in. One, however, failed to touch third base and the score was 2-2, forcing the game into extra innings.

Sarto's failed to score in the extra frames which yielded a bonanza for the Beavers who exploded for four more hits and five runs. Final score was Westlake Beavers 7 and Sarto's No. 1, 2.

Sarto's No. 2 played the Daly City Raiders and won, 10-1. Star of the game was Joe Cubic who racked up four hits in four trips to the plate.

Other games saw Dee's Associated beat Brisbane Tigers 7-3, and Sharp Park edge out Holy Angels in a tight 5-4 encounter.
